

2027 TROPICAL 7s

TEAM REGISTRATION TERMS & CONDITIONS

1. TEAM REGISTRATION

1.1 All teams must register via the tournament's designated online registration platform.

1.2 Submission of team registration does not of itself guarantee entry into the Event.

1.3 A team's registration status shall only be treated as:

- **'Submitted'** once the online registration process has been completed;
- **'Provisionally accepted'** once Tropical 7s confirms that the team has been offered a place in a division and once full payment has been received
- **'Fully confirmed'** once all pre-tournament registration, roster, eligibility and compliance requirements have been satisfied, and once the team has completed any mandatory onsite team check-in and accreditation procedures required by Tropical 7s.

1.4 The team registration fee is payable by card immediately when the team completes the online registration process, unless Tropical 7s has expressly agreed to an alternative payment method.

1.5 Teams wishing to pay by an alternative payment method, including cheque, bank transfer or any approved digital payment provider, must ensure cleared funds are received by Tropical 7s within 14 days of registering online, unless otherwise agreed in writing.

1.6 If payment is not received within that time, Tropical 7s may cancel the team's registration and release any associated division place, accommodation allocation or other linked booking.

1.7 Once a division has reached its maximum quota of teams, that division shall move to a waitlist. Teams wishing to be added to the waitlist must complete the online registration process. No registration fee shall be taken for waitlisted teams unless and until a place becomes available and the team is invited to confirm its entry. If a space becomes available, waitlisted teams will be contacted in the order in which they registered. Any offer made to a waitlisted team may be time-limited and may lapse if not accepted, and paid, within the timeframe stated by Tropical 7s.

1.8 Any team that has not paid the applicable team registration fee in full shall not be permitted to participate in the Event.

1.9 Tropical 7s retains sole discretion as to:

- whether any team will be accepted into the Event;
- which division that team will play in; and
- whether divisions should be split, merged, capped, restructured or closed.

1.10 Certain divisions may be designated by Tropical 7s as 'elite' divisions. Entry into any elite division shall be by invitation only and at the sole discretion of Tropical 7s. A team may apply or express interest in such division, but no team shall be entitled to participate in an elite division unless and until expressly invited and accepted by Tropical 7s. Tropical 7s reserves the right to place any team not accepted into an elite division into another appropriate division, or to decline that team's entry altogether.

1.11 Tropical 7s reserves the right to review, refuse, reverse or revoke acceptance where it reasonably considers that:

- a team has provided inaccurate, misleading or incomplete registration information;
- a team has failed to meet payment deadlines;
- a team has failed to meet eligibility, roster, safeguarding or compliance requirements;
- a registration is incomplete, inaccurate, unsuitable for the division entered, inconsistent with the published registration requirements, or otherwise likely to prejudice the efficient operation of the tournament; or
- a team would otherwise, in the reasonable opinion of Tropical 7s, not be suitable for participation in the Event.

1.12 If a team is not accepted for entry for any reason prior to final confirmation, any registration fee paid will be refunded within 30 days of Tropical 7s confirming that the team has not been accepted.

1.13 Team registration is personal to the team named in the registration and may not be sold, assigned, re-named or transferred to another team, club, organisation or division except with the prior written consent of the Event Director.

1.14 Final participation in the Event remains subject to completion of any mandatory onsite team check-in and accreditation process required by Tropical 7s.

2. CANCELLATIONS, WITHDRAWALS, DIVISION CHANGES & REFUNDS

2.1 Tropical 7s reserves the right to cancel, postpone, reschedule, shorten, extend or otherwise amend the Event in whole or in part, including any division, fixture format, match schedule, venue, playing day, or competition structure, where this is reasonably necessary for operational, safety, regulatory, weather-related or other legitimate event management reasons.

2.2 If Tropical 7s cancels a division or the Event in whole, Tropical 7s may offer, at its option:

- a full refund;
- a partial refund;
- a credit toward the same or a related future event; or
- a transfer of the team's registration to a rescheduled date for the same event.

2.3 Where only part of the Event is affected, including where a division is merged, shortened, reformatted or partially completed, Tropical 7s shall determine in its reasonable discretion whether any partial refund, credit or transfer is appropriate, having regard to the extent to which the Event has already been delivered and costs have already been incurred.

2.4 Team withdrawals are subject to the following team registration cancellation policy:

- on or before 31 December 2026: 50% of the team registration fee will be refunded;
- on or after 1 January 2027: no refund.

2.5 Any team that withdraws within 4 weeks before the first day of the tournament shall be prohibited from entering a team in the same age group in the following year's Event.

2.6 Any request to withdraw must be made in writing by the registered team manager or other authorised team representative, and the effective date of cancellation shall be the date on which Tropical 7s receives that written notice.

2.7 Division change requests (e.g. from Elite to Open or from one age group to another) prior to 31st December will be considered, but are not guaranteed. Division change requests after this date are strongly discouraged and will only be considered in exceptional circumstances.

2.8 Any team whose division change request is approved on or after 1 January 2027 shall remain subject to such financial, administrative or competitive penalty as Tropical 7s may reasonably determine, including the retention of all or part of the registration fee, refusal of any refund, or restriction on future registration.

2.9 Force majeure events, including but not limited to severe weather, flooding, lightning, fire, natural disaster, acts of terrorism, war, civil unrest, epidemic, pandemic, public health emergency, government restriction, labour disruption, venue closure, utility failure, or any other event beyond the reasonable control of Tropical 7s, shall not automatically entitle teams to a refund.

2.10 No refund shall be payable where a team is unable to participate due to its own failure to satisfy eligibility, compliance, roster, travel, visa, insurance, safeguarding or governing-body clearance requirements.

2.11 If a team claims exceptional circumstances that materially affect the participation of their team in the tournament, the Event Director may consider the offer of event credit on a case-by-case basis, but shall not be obliged to do so.

2.12 Any approved refund shall apply only to the team registration fee actually paid to Tropical 7s and shall not extend to any third-party costs, including accommodation, flights, transport, insurance, visa costs, merchandise, or other incidental expenses.

3. THIRD-PARTY SUPPLIERS AND BOOKING POLICIES

3.1 Please note that any arrangements made with third-party suppliers, including but not limited to accommodation, transportation, attraction tickets and other tournament-related services, are entirely separate from the team's registration for the Event.

3.2 Such bookings are subject to the individual terms and conditions of the relevant supplier, including applicable taxes, fees, payment deadlines and cancellation charges.

3.3 It is the responsibility of each team to review and comply with those terms before booking.

3.4 Should a team withdraw from the Event, the team shall remain solely responsible for cancelling any associated third-party bookings directly with the relevant provider and in accordance with that provider's cancellation policy.

3.5 Tropical 7s accepts no responsibility or liability for any dispute, issue, loss, penalty, cancellation charge or other financial consequence arising out of any third-party arrangement.

3.6 For the avoidance of doubt, cancellation of a team's Event registration does not automatically cancel any accommodation booking or other third-party service, even where booked in connection with the Event.

4. TEAM & PLAYER ELIGIBILITY

4.1 For teams domiciled in the USA, the registering team and all members of the team roster, including players, coaches and officials, must be members in good standing and in compliance with all applicable USA Rugby regulations. US-based teams must complete all applicable USA Rugby compliance procedures, including any additional registration and roster requirements through Rugby Xplorer where required by USA Rugby. Teams must ensure that all required USA Rugby membership forms, waivers, releases and fees have been properly completed and paid.

4.2 For teams domiciled outside the USA, the registering team and all members of the team roster, including players, coaches and officials, must be in good standing with their own recognised governing body. The team must ensure that all players have completed any required waivers and/or release forms and that official clearance to tour and participate in the Event has been obtained from the team's home Union in accordance with applicable USA Rugby and World Rugby requirements. The required Permission to Tour documentation and equivalent governing-body clearance must be submitted no later than the deadline published by Tropical 7s. Tropical 7s may refuse participation to any team whose documentation is incomplete, late or not approved by USA Rugby or the relevant governing body.

4.3 College teams and their participants who do not fall under USA Rugby's sanctioning jurisdiction, including but not limited to NCR or NIRA teams, shall not be exempt from compliance with Event participation requirements. Such teams must comply with the registration requirements imposed by Tropical 7s and USA Rugby as a condition of participation in the Event.

4.4 All players must comply with the Event's player eligibility requirements, including age-grade rules and weight limits where applicable. Every player must be registered on the Event registration system and must provide proof of identity, proof of date of birth (if requested) and a signed Player Consent & Medical Release form through the registration portal.

4.5 If a player is under 18 years of age at the time of signing the Player Consent & Medical Release waiver, the waiver must be signed by that player's parent or legal guardian. The player must be fully aware of and understand the registration, consent and medical information being submitted on their behalf.

4.6 Each participating team including all players and non-playing staff must complete an on-site team check-in at the Event in accordance with the procedures and deadlines published by Tropical 7s. On-site check-in will include verification of roster and eligibility information and the issue of player accreditations. No player, coach, official or other team representative may participate in the Event unless properly checked in and accredited.

4.7 A player, once registered for a team, may not register for or play for any other team in the Event, whether or not that player has already taken the field.

4.8 Tropical 7s is committed to the safety of all participants, including minors and vulnerable adults. All teams must comply with USA Rugby's SafeSport Code, Minor Athlete Abuse Prevention Policies (MAAPP), and all applicable safeguarding and training policies. No role conferring authority over, regular contact with, or access to minor athletes during a USA Rugby-sanctioned event may be filled by an individual who does not meet the applicable compliance requirements.

4.9 Any team or player that does not comply with the Event's eligibility, roster, safeguarding or governing-body requirements may be prohibited from participating in the Event, in whole or in part. In such circumstances, Tropical 7s shall have no obligation to refund any fees or reimburse any costs incurred.

4.10 Tropical 7s reserves the right to carry out roster checks, age-verification checks and document audits at any time before or during the Event.

5. MEDICAL INSURANCE & TREATMENT

5.1 All participating players must have appropriate medical insurance covering injury and/or illness arising from participation in rugby and any related non-rugby activities, including where appropriate legal, medical, evacuation and repatriation costs. Proof of adequate insurance may be requested as a condition of confirming a team registration.

5.2 All players and coaches are expected to understand the Laws of the Game of Rugby Union and to coach, train and play safely. Players are expected to be physically fit to play and not to suffer from any condition that would normally prevent safe participation.

5.3 The athletic trainers and medical staff appointed by Tropical 7s for the Event shall have overriding authority over any medical personnel brought by individual teams in relation to player welfare and return-to-play decisions at the Event.

5.4 Permission is granted for the Event's appointed trainer, physician, medical personnel and, where necessary, emergency responders or hospital personnel to attend to and administer treatment to a participant where deemed necessary.

5.5 Costs associated with diagnosis, treatment, transport, hospital care, medication, rehabilitation or any related medical services shall remain the responsibility of the player and/or team.

5.6 In the event of serious injury, the team manager is expected to make reasonable efforts to contact the player's parent, legal guardian or emergency contact before treatment is undertaken, where practicable.

5.7 If a player is diagnosed by event medical staff or another qualified healthcare professional as unfit to play, including following a concussion or suspected concussion, that player shall take no further part in the Event unless and until properly cleared to return to play by a qualified healthcare professional in accordance with applicable return-to-play protocols.

5.8 Participation in the Event may involve the risk of exposure to infectious diseases. Tropical 7s may implement such health and safety protocols, policies, procedures and competition adjustments as it considers reasonably necessary and/or as required by public health authorities, the venue, USA Rugby or other relevant authorities.

5.9 Teams are responsible for ensuring that all rostered players disclose relevant medical conditions, medications and emergency contact information through the registration process.

6. CONDUCT & BEHAVIOUR

6.1 Tropical 7s reserves the right to refuse entry to, remove from the venue, suspend or expel any person whose behaviour is deemed by the Event Director, acting reasonably, to be unsafe, abusive, discriminatory, disruptive, threatening, intoxicated, unlawful or otherwise inappropriate.

6.2 Coaches, players, officials and team entourage must comply at all times with the Event rules, code of conduct, venue regulations, safeguarding requirements, disciplinary processes and any reasonable

instruction issued by Tropical 7s, match officials, venue staff, security personnel or medical staff. The Tournament Rules & Regulations and Disciplinary Procedures, as published by Tropical 7s from time to time as separate documents, are hereby incorporated into and form part of these Terms & Conditions and shall be binding on all participating teams and their players, coaches, officials and representatives.

6.3 Tropical 7s may impose sanctions including:

- warning;
- removal from the venue;
- suspension from matches;
- disqualification of a team; or
- referral to USA Rugby or another governing body,

where it considers such action appropriate.

7. INTELLECTUAL PROPERTY, FILMING & MEDIA RIGHTS

7.1 Tropical 7s owns or controls all rights in its event branding, names, logos, marks, designs, content, footage and associated intellectual property, whether registered or unregistered.

7.2 No person may use Tropical 7s trademarks, logos, branding or other intellectual property without prior written consent.

7.3 The filming, live streaming, broadcast capture or recording of match footage is strictly prohibited without the prior written consent of Tropical 7s.

7.4 Photography is permitted for personal, non-commercial use only. Any public dissemination, commercial exploitation, publication, sale, licensing, live streaming or media distribution of photographs, video, audio or other event content without prior written consent from Tropical 7s is prohibited.

7.5 Participating teams, players, coaches, officials and accompanying staff grant Tropical 7s and its authorised partners, licensees and media representatives the right to capture, use, edit, reproduce, publish and distribute written, photographic, video and audio materials relating to their participation in the Event for promotional, editorial, commercial, archival, educational and broadcast purposes without further notice or compensation.

7.6 Tropical 7s reserves the right to accredit or refuse access to photographers, videographers, content creators and media representatives at its sole discretion.

8. PRIVACY & DATA USE

8.1 Participants, coaches, team staff and other attendees may be photographed, filmed and/or interviewed during the Event. Such materials may be used by Tropical 7s and its partners for promotional, editorial, commercial and archival purposes.

8.2 Tropical 7s may use personal information submitted as part of team registration:

- to administer and manage the team's entry;

- to verify eligibility, compliance and safeguarding requirements;
- to communicate scheduling, operational and event information;
- to request feedback about the Event;
- to contact participants about future Tropical 7s events, promotions, competitions and special offers, subject to applicable law; and
- to share relevant data with carefully selected service providers, governing bodies, sanctioning bodies, suppliers and partners where reasonably necessary for Event delivery, compliance, safeguarding, medical response, accreditation, broadcast or related operational purposes.

8.3 All personal data shall be handled in accordance with the Tropical 7s Privacy Policy in force at the relevant time.

8.4 By registering a team, the registering representative confirms that they are authorised to provide the relevant personal data to Tropical 7s for Event administration purposes and that all necessary participant and/or parental notices and consents have been obtained where required.

9. LIABILITY

9.1 Participation in the Event is at the sole risk of the participating teams and individuals.

9.2 To the fullest extent permitted by applicable law, Tropical 7s, the Event organisers, venue operators, officials, staff, contractors, volunteers and associated parties shall not be liable for any injury, loss, damage, expense, delay, inconvenience or other claim arising out of or in connection with participation in, attendance at, travel to or from, or cancellation, postponement, interruption or amendment of the Event.

9.3 This includes, without limitation, any direct, indirect, incidental, special or consequential loss, loss of profits, loss of opportunity, travel costs, accommodation costs or other economic loss.

9.4 Nothing in these Terms shall exclude or limit liability for death or personal injury caused by negligence, fraud, or any other liability which cannot lawfully be excluded or limited.

9.5 Teams remain responsible for the acts and omissions of their players, coaches, officials, parents, supporters and other travelling party members.

10. GENERAL

10.1 Tropical 7s reserves the right to amend these Terms & Conditions from time to time. The version in force at the date of the team's registration, or any later version expressly notified to teams, shall apply.

10.2 Any notices required under these Terms must be sent by email to the contact details designated by Tropical 7s, and notices to teams may be sent to the email address provided in the team's registration.

10.3 If any provision of these Terms is held to be invalid or unenforceable, the remaining provisions shall continue in full force and effect.

10.4 The Tournament Rules & Regulations and the Disciplinary Procedures issued by Tropical 7s, as amended from time to time, shall apply to all teams and participants in the Event. In the event of registration for, attendance at or participation in the Event, those documents shall be deemed

incorporated into these Terms & Conditions and shall be binding on all teams, players, coaches, officials and other team representatives.

10.5 These Terms & Conditions shall be governed by and construed in accordance with the laws of the State of Florida, and any dispute shall be subject to the exclusive jurisdiction of the courts of that State, unless applicable law requires otherwise.
